❖ COMPANY PROFILE:

➢ DOL Burn Foundation is student start up social enterprise that specializes in burn prevention, treatment, and awareness. Our services offer innovative ways of decreasing the number of burn injuries, assisting in both physical and mental recovery, creating a platform for bettering people’s lives, and expanding our impact internationally. Our social focus will help hundreds of thousands of people protect themselves from burns and be a resource for people to use their scars as a tool for success.

“ We hope you never get burned, but if you do, we are here to help.”

❖ Medical/Scientific Research Intern Position Description

➢ Majors
  ▪ Pre-med, Nursing, Engineering, Chemistry, Biochemistry, Biology, Microbiology, Immunology and other Biological Sciences
